## What is MOSS Jam ?

Melbourne Old School Skate Jam is in its 7<sup>th</sup> year.

Skaters come from all over Australia every year.

Jeff Grosso said "Frankston is in the top 5 bowls skated".

Bowl Jam comp in Frankston's 11 foot kidney bowl.

Australia's no.1 bowl. April 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> 2010.

Old school action at its gnarliest.

Fossil & Grommet kids & dads comp. Slalom, ditch session, BBQ, after party, Charity Auction.

Past guests; Tony Hawk, Kevin Staab, Renton Millar + more

## Save the World ?

Provide water - help education - provide hope.

All funds raised go to building permanent water infrastructure in the 3<sup>rd</sup> world.

MOSS's 4<sup>th</sup> water project is underway. The last project provided a 10,000 litre water tank, 12 outlet taps / faucets. This provided water to about 1,000 people in Swaziland in southern Africa. Check it out on the links above. Without clean water babies die from water born diseases and girls can't go to school. Without education these people will never find their way out of poverty. You can make a difference by sponsoring MOSS Jam 2010.

## Promote your brand !

MOSS Jam sponsorship gives you all this...

TV & Radio coverage potential (See MOSS Jam 09 on the CD)

Mainstream newspaper coverage potential (see [www.mosswaterproject.com](http://www.mosswaterproject.com) )

National & international skate mag coverage.

Concrete Wave (6 page spread), SLAM, etc.

Internet promotion within skate community.

Your logo on t-shirts, flyers, calendars, coping stickers /decals.

Personalized Thank You certificates.

PA announcements at Jam and Charity Auction

## Sponsor MOSS Jam 2010.

Send us product, stickers and / or banners.

Have your Team Riders sign decks before you send them and we'll auction them for 5 times their value and all the cash goes to Swaziland. Celebrity endorsement. Words from your pro's will help us raise more funds. Sponsor the cost of t-shirts. We'll sell these and send the cash to the needy in Swaziland. Buy naming rights by paying for the cost of your own company's water project. Your logo can be put on the water tank.
